As in past years we will be having our annual covered dish Holiday meal and you are invited to bring your favorite family dish to share with us. SEBA will provide the main course. However, in past years there have been more desserts than vegetable dishes. This year we'll have a contest for the best vegetable dishes, but please feel free to bring your desserts too!

Along with the special announcements for SEBA's new programs in 2010, there will be many awards presented and live bluegrass music to enjoy as the afternoon goes on. Then there will be Jamming, lots of Jamming!

We are expecting members from all nine chapters of SEBA and everyone is looking forward to seeing **YOU** there.

This is going to be one great party!!!
